2017 ROAD UPDATES

As discussed during last year's annual meeting, we will be fixing patches on 3rd, 5th & 7th Lanes with diabase & then adding granite to the north-south running roads, north of Hwy. F, starting with 3rd, 5th, 7th, & 9th & seeing how far we get with the road budget.

PIT RUN PROCEDURES

Each household in the Town of Hamburg is authorized to receive 200 yards of pit run. The price is \$1 per yard if you haul it or \$2 per yard if the town loader is used.

NEW TOWN OF HAMBURG WEBSITE:

The new Hamburg website was recently launched! Visit www.townofhamburg.org today to take a look. If you'd like to see something added, have any suggestions, or just want to give feedback please let us know.

If you have received this newsletter and the address is incorrect or you know someone living in the township who is not receiving a newsletter please call Jim Servi to have it corrected.

DUST CONTROL

**PAYMENT AND REQUEST
MUST BE RECEIVED BY MAY 31, 2017**

Dust Control will again be offered this year. The cost for each 300 foot strip will be \$145.00. Magnesium chloride will be used as this costs less than the calcium chloride used in years past. A Note from the Chairman,
Spring time in Hamburg is a great time of year, but then again, every season is great around here. If you get a minute, please take a look at the new website we just launched – www.townofhamburg.org. The main purpose is to keep you updated and provide an easy to use place with information at your fingertips 24/7.

If you have anything else you'd like to see or if you have a piece of history to share, please let us know. We'd love your feedback!

We've got some very positive updates to look forward to over the upcoming years. First off, you should see Broadband High-Speed Internet upgrades coming to our area starting this summer. We've been working closely with Frontier, who is spearheading the project, and from my understanding they'll be updating 536/539 numbers in 2017 and 257/443 numbers in 2018. We'll continue to monitor this closely and keep you updated. Second, Maple Grove just got an extension to their charter and added the forest around the school to the School Forest Program. They are also looking at adding a 4K. All that is good news for promoting our school. Lastly, we just signed long-term fire protection contract extensions with Berlin, Rib Falls, and Stettin to continue supporting them. We're lucky to have great neighbors and they've been very supportive in working with our outstanding Fire Department/First Responders.

Thank you to everyone that continues to make Hamburg a great place to live. I look forward to seeing all of you in the upcoming year. As always, if there is anything we can help with, please let us know.

See you around Town, Jim

BUILDING PERMITS: Building permits are needed for all NEW home construction. The business to contact is Northwinds Inspections at 715-539-3000 to get the proper paperwork. The permit is required by the state. We will keep you posted as changes may take affect after the first of the year.

BURNING PERMITS: All fires, including burn barrels need a burning permit which are available annually at no charge. For more information please contact Jodi Bloch at Eddie's Bar ... 715-257-7632.

FIRE FEES: \$750 for the first hour & \$375 for each hour after. Please check with your insurance to verify coverage.

DOG LICENSING

All dogs need to be licensed in Marathon County. Please call Lynne to get them licensed. Despite this, nearly all the lost dogs we get called about do not have a license, making it difficult to locate the owners. In an effort to reduce this as well, we will be working towards a local ordinance with enforcement options.

PLOWING ACROSS THE ROAD

Plowing across any road in Wisconsin is illegal because it creates a safety issue for our drivers and increases the likelihood that our equipment will be damaged, costing all of us money. Please stop if you've done that in the past. In an effort to reduce this practice, we will be working towards a local ordinance with enforcement options.

CLEAN UP AMERICA

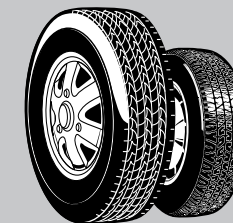

at the Hamburg Town Shop (corner of Hwy F and 9th Lane)

Saturday, May 13: 9 am - 12 pm

ITEMS BEING ACCEPTED:

Tires on Rims, Truck Tires, Computer Monitors, TV's, Freezers, refrigerators, air conditioners, dehumidifiers, washers, dryers, stoves, dishwashers, furnaces, hot water heaters, sinks, bath tubs, bikes, exercise equipment, grills, lawn mowers, electrical wiring, all sorts of metals and much more. Please note: fees may apply to some items.

TIRE RECYCLING

FOR TIRES THAT ARE NOT ON THE RIMS.
Car Tires - \$2.50 each
Truck Tires - \$8.00 each
Tractor/Loader Tires - \$20.00 each

- Without exception, recycling is the top action society can do to simultaneously improve: the environment, the economy, sustainable manufacturing and to prevent waste from going into oceans.
- When U.S. recycling levels reach 75% it will be the environmental and CO2 equivalent of removing 55 million cars from U.S. roads each year.
- When U.S. recycling levels reach 75% it will generate 1.5 million new jobs in the U.S. (net).
- Manufacturers truly want these materials back to reuse in their manufacturing, but they aren't able to reuse the materials if people don't recycle.
